**Last Modified: 5-26-26**

## 1. Acceptance of the Terms of Use

These terms of use are entered into by and between **EdTechQuest, LLC** ("**Company**," "**we**," or "**us**"), and you, the parent of the child or children using the Platform ("**You**"). The following terms and conditions, together with any documents they expressly incorporate by reference (collectively, "**Terms of Use**"), govern your access to and use of **Sculoo** (the "**Platform**"), including any content, functionality, and services offered on or through the Website, whether as a guest or a registered user.

Please read the Terms of Use carefully before you start to use the Platform. By using the Platform, you accept and agree to be bound and abide by these Terms of Use. If you do not want to agree to these Terms of Use, you must not access or use the Platform.

This Platform is designed for educational use only.

## 2. Changes to the Terms of Use

The Company may revise and update these Terms of Use from time to time in its sole discretion. All changes are effective immediately when posted and apply to all access to and use of the Platform thereafter. However, any changes to the dispute resolution provisions set out in the Sec. 21 will not apply to any disputes for which the parties have actual notice on or before the date the change is posted on the Platform.

Your continued use of the Platform following the posting of revised Terms of Use means that You accept and agree to the changes. You are expected to check [www.sculoo.com](http://www.sculoo.com) ("**Website**") frequently so you are aware of any changes, as they are binding on You.

Material changes related to privacy practices or data use will be communicated to You and posted clearly on the Platform.

## 3. Accessing the Platform and Account Security

We reserve the right to withdraw or amend this Platform, and any service or material we provide on the Platform, in our sole discretion without notice. We will not be liable if for any reason all or any part of the Platform is unavailable at any time or for any period. From time to time, we may restrict access to some parts of the Platform, or the entire Platform, to all guests and Users.

You are responsible for both:

- Making all arrangements necessary for you to have access to the Platform.

- Ensuring that all persons who access the Platform through Your internet connection are aware of these Terms of Use and comply with them.

To access the Agreement or some of the resources it offers, you may be asked to provide certain registration details or other information. It is a condition of your use of the Platform that all the information you provide on the Platform is correct, current, and complete. You agree that all information you provide to register with this Platform or otherwise, including, but not limited to, through the use of any interactive features on the Platform, is governed by our *Privacy Policy*, and you consent to all actions we take with respect to your information consistent with our Privacy Policy. Accounts for students under the age of 13 must be created or authorized by a parent in compliance with the Children’s Online Privacy Protection Act (“**COPPA**”).

If you choose, or are provided with, a username, password, or any other piece of information as part of our security procedures, you must treat such information as confidential, and you must not disclose it to any other person or entity. You also acknowledge that your account is Your personal account and You agree not to provide any other person with access to this Platform or portions of it using your username, password, or other security information. You agree to notify us immediately of any unauthorized access to or use of your username or password or any other breach of security. You also agree to ensure that you exit from your account at the end of each session. You should use particular caution when accessing your account from a public or shared computer so that others are not able to view or record your password or other personal information.

We have the right to disable any username, password, or other identifier, whether chosen by you or provided by us, at any time if, in Our opinion, you have violated any provision of these Terms of Use.

#### 4. Student Data and Privacy Compliance.

The Platform complies with COPPA by collecting personal information from children under 13 only with verified parental consent.

In the event of unauthorized access to student data, the Company will promptly notify affected parents.

The Company does not sell, rent, or trade student data, nor does it use such data for targeted advertising or commercial purposes.

#### 5. Data Ownership; Data License; Use of Aggregated and Derived Data.

(a) Personal Information.

As between the parties, You retain all rights in and to the personal information of your child or children. Notwithstanding the foregoing, You grant Company a perpetual, irrevocable (except where prohibited by law), worldwide, royalty-free license to collect, use, store, process, transmit, and otherwise handle personal information as necessary to:

- (i) operate and provide the Services;
- (ii) maintain, develop, and improve the Platform and related technologies;
- (iii) create Aggregated Data and Derived Data;
- (iv) comply with legal obligations; and
- (v) prevent fraud, misuse, or security incidents.

This license shall automatically transfer to any successor entity in the event of a merger, acquisition, corporate reorganization, or sale of assets, to the fullest extent permitted by law.

(b) Platform Data and Operational Data.

Company may generate, use, disclose, and owns all right, title, and interest in Aggregated Data, De-Identified Data, and Derived Data created or generated by the Platform, provided such data cannot reasonably be used to identify an individual. Company may use such data for analytics, benchmarking, research and development, machine learning, commercialization, and improvement of the Services, and may freely transfer such data in connection with any merger, acquisition, or other corporate transaction.

(c) Platform Data and Operational Data.

All usage data, diagnostic data, telemetry, log files, performance data, and other information generated through the operation of the Services (“**Platform Data**”) are and shall remain the exclusive property of Company. Platform Data may be used for service optimization, analytics, security monitoring, and product improvement, and may be transferred or assigned to any acquirer of Company.

(d) User Content.

To the extent You upload or submit content to the Platform, You grant Company a non-exclusive, transferable, sublicensable, royalty-free license to host, reproduce, process, transmit, display, adapt, and use such content solely as necessary to provide and improve the Services.

(e) Effect of Account Closure.

Upon closure of an account and deletion of personal information as required by law, Company may retain and continue to use Aggregated Data, De-Identified Data, Platform Data, and Derived Data generated from Your child’s use of the Services.

(f) Definitions.

“**Aggregated Data**” means data that has been combined or summarized so that it cannot reasonably be used to identify any individual, including statistical, analytical, or usage data derived from multiple users.

“**De-Identified Data**” means data that has been stripped of personal identifiers and processed so that it cannot reasonably be linked to a specific individual, household, or device.

“**Platform Data**” means operational, technical, and usage data generated through access to or use of the Services, including logs, telemetry, diagnostics, performance metrics, and analytics, but excluding personal information.

“**Derived Data**” means data created or generated by the Company from processing or analyzing personal information, Platform Data, or Aggregated Data, including insights, metrics, models, predictions, or other outputs that do not reveal personal information.

If you print, copy, modify, download, or otherwise use or provide any other person with access to any part of the Platform in breach of these Terms of Use, your right to use the Platform will stop immediately and you must, at our option, return or destroy any copies of the materials you have made. No right, title, or interest in or to the Platform or any content on the Platform is transferred to you, and all rights not expressly granted are reserved by the Company. #### 9. User Messages

The Platform may allow You to send one-way personal messages to their own child through a private messaging feature (collectively, "**User Messages**"). User Messages are the only form of user-submitted content permitted on the Platform.

All User Messages must comply with the Content Standards in these Terms of Use.

By sending a User Message, you grant the Company and its service providers a limited, non-exclusive, royalty-free license to receive, host, transmit, and display the message solely as necessary to operate the Platform and deliver the message to your student. - Decline to transmit, block, or remove any User Message for any or no reason in our sole discretion.

All matters relating to the Platform and these Terms of Use, and any dispute or claim arising therefrom or related thereto (in each case, including non-contractual disputes or claims), shall be governed by and construed in accordance with the internal laws of the State of Indiana without giving effect to any choice or conflict of law provision or rule.

Subject to the Arbitration and Dispute Resolution section, any legal action that is (i) permitted to proceed in court rather than arbitration, including small-claims matters or requests for injunctive or equitable relief, or (ii) brought to enforce or confirm an arbitration award, shall be brought exclusively in the federal courts of the Southern District of Indiana or the state courts of Indiana located in Hamilton County. ## 20. Arbitration and Dispute Resolution

Before initiating any formal dispute, you agree to first contact us at support@sculoo.com and attempt to resolve the matter informally. The arbitration will be administered by the American Arbitration Association ("AAA") under its Consumer Arbitration Rules, as modified by this section and shall occur in Indianapolis, Indiana. If the AAA is unavailable, the parties will select an alternative forum. The arbitration will be conducted by a single neutral arbitrator, who may hold hearings by videoconference unless the parties agree otherwise. The arbitrator has exclusive authority to decide issues relating to the interpretation, applicability, enforceability, or formation of this Arbitration Agreement.

**YOU AND THE COMPANY AGREE THAT ALL CLAIMS MUST BE BROUGHT ON AN INDIVIDUAL BASIS AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY CLASS, COLLECTIVE, CONSOLIDATED, OR REPRESENTATIVE ACTION.**

This Arbitration Agreement survives termination of Your account and Your relationship with the Company.

#### 21. Waiver and Severability

No waiver by the Company of any term or condition set out in these Terms of Use shall be deemed a further or continuing waiver of such term or condition or a waiver of any other term or condition, and any failure of the Company to assert a right or provision under these Terms of Use shall not constitute a waiver of such right or provision.

If any provision of these Terms of Use is held by a court or other tribunal of competent jurisdiction to be invalid, illegal, or unenforceable for any reason, such provision shall be eliminated or limited to the minimum extent such that the remaining provisions of the Terms of Use will continue in full force and effect.
